## Sir Richard McBride Resigns As Premier of British Columbia; Is Now Agent-General in London

Hon. W. J. Bowser Succeeds to the Premiership—There Will Be No Election Until After the Next Session of the Legislature, It Is Stated.

Vancouver, Dec. 15.—It was officially announced today that Sir Richard McBride, the agent-general for British Columbia in London, has resigned and will leave that office December 22nd. He will be succeeded by Sir Mitchell McLeish, who is today being appointed to that position.

Sir Richard is today resigning his seat in the legislature and will be succeeded in the premiership by Hon. W. J. Bowser, minister of the interior, secretary of the cabinet.

The new administration will be composed as follows: Premier and attorney-general, W. J. Bowser; minister of finance, A. C. Fraser; minister of public works, C. E. Tisdall; minister of lands, W. H. Ross; provincial secretary, Thomas D. Stewart; minister of mines, Leslie A. Campbell.

There will be no election until the spring, after a session of the legislature.

### Had Interesting Time.

Today's changes in leadership and administration came as the culmination of one of the most eventful years in the history of the province, and were made life very interesting for the government. Members of the cabinet have found no work on the afternoon from Liberal ranks, who

## BRITISH Aeroplane, After Grim Fight Off Belgian Coast, Sinks— Big German Seaplane— British Machine Damaged.

London, Dec. 15.—A British official communication, just received, says:

"West Sub-Lieut. Graham, in an aeroplane, with flight Sub-Lieutenant Lee as observer, while on patrol off the Belgian coast this (Tuesday) afternoon, sighted a large German seaplane and gave chase. After a severe engagement the German machine was hit and fell. Before reaching the water it burst into flames, and at the moment of striking exploded.

"Sub-Lieutenant Graham's machine was severely damaged by machine gun fire and fell into the sea, but both the officers were picked up and safely landed."

"Fred Forsyth" charged, "submarine" Jack Johnson, "Bombers Trust" built and who were equipped with an arsenal generously stocked with war provisions and short money. Now comes today a reorganization on the face of it had by Hon. W. J. Bowser and his cabinet for a renewed lease in office in return for a "strong" and "businesslike" government.

No announcement was made today regarding the possibility of provincial elections in the immediate future. The presumption is that no general election will be brought on till spring. The life of the present government has not run out until the close of June next. The impression here is that the new administration wishes to spend the next few weeks and months in the reorganization and making ready of the province and making strategic progress to the legislature.

In meeting, which usually occurs late in January. If this is the intention and it carries out a provincial election will not occur until March of April.

The Prohibition Question.

What is the new government going to do about prohibition? This is one of the interesting questions of today's changed situation and one of which people on both sides of the temperance question are vastly interested.

### PEACE SOCIETIES SUE HENRY FOID.

London, Dec. 15.—The International Committee of Women for permanent peace, through the president of the British section, has issued an official communication which says that neither the Swedish section nor the headquarters of the committee at Amsterdam will have any connection with Henry Ford's peace mission.

### News of the District

MANOLA.

A meeting to organize a central district association for the Peninsula (providing conditions) was held at St. James school house on Monday afternoon. The 74 pupils in the constituency were present, of whom five were ladies.

The meeting was presided over by Mr. G. Thorpe, retiring president of the district Liberal association, and J. S. Mills of Bevedere.

Resolutions were passed unanimously endorsing the policy of the Liberal party of the Dominion and the district committee, Hon. Frank Oliver endorsing the policy of the provincial government and Premier Brien, and pledging the election of a Liberal member for the constituency.

H. E. Perry, provincial Liberal organizer, explained the method of organizing each provincial political association, and a small committee to assist the central district association, each party was notified and three delegates to the meeting were elected.

When it became necessary to nominate a candidate, the representative would be based on the number of Liberal votes cast in each of the previous provincial election. The central district executive would consist of a president, one or more vice-presidents, a secretary, and the chairman and secretary of the local association in each constituency.

Mr. Greenfield of Westlock was elected president, Mr. Thorpe, retiring president, and E. H. H. Bridge, Liberator secretary, and J. S. Mills, Liberator treasurer. A collection of £14 was taken for the initial expense of the association.

Mr. Frank Oliver, provincial minister of public works, addressed the meeting, endorsing the policy of the government in regard to various matters, and pledging road improvement.

Hon. J. R. Boyle, minister of education, had intended to be present but was prevented by illness.

Hon. Frank Oliver, who was present at the request of Mr. Boyle, delivered a short address.

The proceedings were closed with the National Anthem.

## COST of War Up to the Present Time in France Exactly Equal to Worth of the Principal Farm Crops in U.S. this Year.

Paris, Dec. 14.—The expenses of the war from August 1, 1914, to December 31, 1915, \$102,000,000 francs (the equivalent of \$102,000,000 U.S. dollars), of which the military expenditures were \$42,375,000,000 francs, the average expenses of the government during the first year of the war were \$1,200,000,000 francs, the estimate for the first quarter of the new year average \$1,200,000,000 francs, and the estimate for the first quarter of the new year average \$1,200,000,000 francs.

Washington.—The worth of the principal farm crops in the United States this year is estimated at \$82,000,000,000.

The body of Mr. S. K. Brown, a wealthy farmer of the Red River district, was found in Regina, Wednesday by the Mounted Police. It was found in the garage, front and partly covered with snow. Brown had been missing for over a month. It is thought that he was overcome by the cold while gathering wood or was stricken with heart disease.

## HAD WEAK HEART HAD TO STAY IN BED

Many women are kept in a state of fear of death, because weak, worn and miserable, and are unable to attend to their household, social or business duties on account of the unsupportable action of the heart.

To all such sufferers Milburn's Heart and Nerve Pills will give prompt and permanent relief. They do this by their calming, strengthening and invigorating action on the heart, causing it to beat regularly and naturally, and bringing to this they take up the whole nerve system.

Mrs. J. Day, 234 John St. South, Hamilton, Ont., writes: "I was so run down with a weak heart that I could not even sweep the floor, nor could I sleep at night. I was so awfully sick some times I had to stay in bed all day as I was so weak. I used three and a half boxes of Milburn's Heart and Nerve Pills, and I am a cured woman to-day, and as strong as anyone could be, and now doing my own housework, even my own washing."

"I doctored for over two years, but got no help until I used your pills." Milburn's Heart and Nerve Pills are sold by box, 3 boxes for \$1.25. They can be had at all druggists or dealers, or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
